Front-end Web Developer

I am Drishti Singh. I am Front-end web developer. I have made many websites using HTML , CSS , JavaScript and frontend framework React JS. I also worked with programming languages C, C++ and basics of python.

TECHNICAL SKILLS

Front-end Web Development	C/C++	Python

PROJECTS

Web Development Projects

- News website(Using React JS)
- Tic tac toe game
- Amazon Clone
- Notes website/Text-Editing website/Library
- Text Formatting website(Using React js)
- Restaurant Website
- Fully Functional Clock
- Fully CRUD application
- WhatsApp clone

LANGUAGES KNOWN

- English
- Hindi
- Telugu

Other Projects

AI Enabled Fintech B2B Invoice Management Application
Overview: Invoice Management Application made using HTML, CSS, ReactJS, JDBC, Java, Servlets. The goal of the project is to build Responsive Receivables Dashboard to perform Crud Operations.
Description: Responsive UI that can display the invoice data loaded from the database. UI support add, edit, delete, searching and pagination.
Learning Outcome: Learned how to make responsive UI using ReactJS. How to create API in Java to perform crud operations.

Machine Learning Model To Predict Clear Date
Overview: Machine Learning Model To Predict Clear Date using Python, ML. The goal of the project is to build a machine learning model which will predict the clear date of invoice.
Description: Data was cleaned in python and then machine learning model was trained to get the clear date of the invoice. Many features of python were used to build the project.
Learning Outcomes: Learned how to use and implement different Python libraries to clean the data and then how to train machine learning model.

EDUCATION & TRAINING

BTech Computer Science and Engineering

Lovely Professional University -7.14 cgpa	2019 -2023

Senior Secondary Education (XI and XII)

Sri Chaitanya Junior College-9.3cgpa	2017 -2019

Secondary Education (X)

D.A.V High School-9.5cgpa	2017

EXTRA-CURRICULAR ACTIVITES , INTERESTS AND HOBBIES

DIY Crafts | Mobile Photography | Singing/Listening to music | Drawing | Programming/Coding |Teaching
